Employers' Opinions:

- The employers observed that the curriculum followed in the institution offers significant opportunities for higher studies and effectively meets the evolving needs and requirements of employers.
- The curriculum is relevant for industry
- The syllabus perceived to have a positive impact on overall personality development.
- The employers observed that curriculum gives scope for holistic development.

Action Taken Report on Employer Feedback:

- Identify areas where the syllabus can be improved to enhance its effectiveness in addressing local problems. This may involve incorporating case studies, real-world examples, or practical projects that align with the local context.
- Develop strategies to address the technical knowledge adequacy. This could involve providing practical hands-on experiences and guest lectures/workshops by industry professionals.
- Need to conduct placement drives with increased student participation.
- Recommended to increase the enrollment in Certificate/Value-added Courses.
