Green Audit – Environment Quality Certificate

LISSAH College, Kaithapoyil, Kozhikode, Kerala for AY 2020 - '21

Environment Audit for the academic year 2020 – '21 has been conducted for Little Flower Institute of Social Sciences and Health (LISSAH College), Kaithapoyil, Kozhikode, 673 586, Kerala, in accordance with the International Standards for ISO 14000 family of standards set by ISO TC 207 and its Sub-committees, Biological Diversity Act 2002, Environmental Protection Act 1986 (and amendments) of Government of India, and other relevant mandates for maintaining sustainable and healthy environment for education in the campus.

In our opinion, the Institution has presented true and up-to-date data on the various aspects of working of this education institution, and appropriate audit procedures have been completed by the audit team for issuing this Audit Certificate and Compliance Statement. The recommendations are based on verified data presented on the situation as they existed at the time of audit.

The audit methodology did combine physical inspection of the campus on several occasions, with analytical reviews of relevant documents and activities, as well as interviews with the Principal, selected Staff members and Students of the College.

Audit findings indicate that, of the 191.3 T CO₂ of carbon footprint of the institution for the year, the contribution from Transportation and mobility including public transport use is at 63.3 T CO₂ – with 20.7 T CO₂ coming from the use of personal vehicles by staff and students, and that out of Wastes is at 46.3 T CO₂. But, the remedial activities contributed a relief of 40.5 T CO₂. The campus is maintained litter free, clean, and green. Environmental Quality in the campus is seen to be 'superior' to many other institutions of the same size.

Prof. V K Damodaran

*Ex-UNIDO International Energy Expert
For NGGFn Audit Team, dated 22 January 2022*

I agree with the data presented in this report, as true, and further express my willingness to implement the recommendations of this audit report after internal review, even if any or many of them are in excess of the relevant mandates.

Dr. Benny Joseph, Principal
