LISSAH

LITTLE FLOWER INSTITUTE OF
SOCIAL SCIENCES AND HEALTH

VISION Towards Life in its Fullness

MISSION

We are committed to improve the quality and dignity of human beings through training and research that the youth may become aware of the social realities and respond adequately to create a better world where all people can co-exist in peace, justice and happiness. CST Fathers by their

very charism give special attention for the rural development and empowerment of the marginalized. That is why we have preferred to established LISSAH in a rural area and we hope it will play a vital role for the overall development of Malabar.

LISSAH is a premier education institution under the management of CST Fathers. It is one of the leading unaided Colleges affiliated to the University of Calicut. LISSAH has the track record in academic and co-curricular activities. The campus has a unique culture of freedom and academic moulding.

LISSAH is an Arts and Science College established in 2003 affiliated to the University of Calicut and is located at is located at Kaithapoil in the serene foot hills of Western Ghats in a picturesque setting. The college provides an excellent ambience for education, training and research in Social Work, Mental Health (Psychology) and other behavior sciences. LISSAH offers Bachelor Degrees in Social Work (BSW), BSc Psychology, BA English with Journalism and Audio Visual Communication, Masters Degree in Social Work (MSW) and MSc Psychology.

The key strength of LISSAH is the integration of teaching, research, consultancy and field work in order to ensure the best possible learning environment for staff and students alike. LISSAH always tries its best to redesign the life of the people around it and to improve the quality of their life. LISSAH offers short-term training courses for employees of government and voluntary organizations. It also undertakes field action projects, in the field of community development and community health in collaboration with Health Dialogue Kozhikode, a registered charitable society, which is the field lab of the LISSAH. Further more, it provides professional expertise in training field action projects, research and policy analysis. We also offer various IT and management courses.

The holistic development of each and every student at LISSAH is our responsibility. Numerous programmes that promote overall development of the students are organized in the college under the initiative of various students' clubs and associations in LISSAH. These programmes cover a wide range of areas of both academic and non academic interest such as seminars, workshops, training, paper presentations, poster presentations,
